FITNESS FOR DUTY EVALUATION – CONSENT & ACKNOWLEDGMENT

I, the undersigned, acknowledge and understand the following regarding this Fitness for Duty (FFD) evaluation:

1. This evaluation is being conducted at the request of my employer. It is not a voluntary or self-referred appointment.
2. This evaluation is for assessment purposes only. **It is not intended to provide treatment, therapy, or ongoing psychiatric care, and no doctor-patient treatment relationship is being established.**
3. A written report summarizing the findings of this evaluation will be provided to the referring party (my employer or their designee). I understand that the contents of this report may be used to make employment-related decisions regarding my fitness to perform my job duties.
4. The information I provide during this evaluation, including responses to interview questions and any completed forms, may not be confidential in the same manner as a traditional therapeutic relationship. The evaluator is obligated to report findings to the referring party.
5. I understand that I have the right to decline to answer any question during the evaluation; however, my refusal to participate or cooperate may be documented in the report and may impact the evaluator's ability to render an opinion.
6. No guarantees have been made regarding the outcome of this evaluation.

By signing below, I confirm that I have read and understand the above terms, and I voluntarily consent to participate in this Fitness for Duty evaluation.

**ACKNOWLEDGMENT OF NOTICE OF PRIVACY PRACTICES
HOW WE USE AND DISCLOSE YOUR HEALTH INFORMATION**

We want to bring to your attention our Notice of Privacy Practices, which outlines your rights regarding the use and sharing of your personal information. A printed copy of this document is conveniently available at the reception desk. By signing this form, you acknowledge that we have provided you access to the abovementioned information. Furthermore, your signature signifies your acceptance of the terms and conditions outlined therein.

In conducting examinations, diagnoses, and referrals, we must gather what is legally Protected Health Information (PHI) concerning you. This information is imperative in guiding the evaluation process. It is important to note that specific circumstances may necessitate sharing this information with entities responsible for facilitating payment for the services provided, the referring party, or other pertinent business or governmental functions as permitted by law.

It is crucial to underscore that, in the absence of your signature on this consent form, which signifies your agreement to the terms outlined in our Notice of Privacy Practices, we are regrettably unable to proceed with the evaluation. We understand that you might have reservations regarding the use of certain aspects of your information. In such a scenario, you have the right to formally request that we refrain from using your information for specific purposes. This request must be presented in writing, specifying the exact nature of your preferences. While we strive to honor your preferences, we must recognize that adherence to these limitations is not legally mandated. However, should we comply with your stipulations, we assure you that our commitment to adherence will be in accordance with the legal framework.

Please do not hesitate to contact us if you require additional clarification or have any inquiries.
